

Effective February 5, 2024

If you want your original parts returned, please let us know at the beginning of your project. May require additional shipping cost

There are many options for your custom work. Please feel free to e-mail kevin@weaverrifle.com or call, 719-683-3024, for a more personal quote. We will respond within 2 business days.

If you would like Weaver Rifles to order your parts, it will run cost plus 20%. If you would like to order your own parts; please feel free to do so. Please do NOT drop ship any parts to us. Once you have everything, please ship them all at once.
